| | <p>Francisco Rodríguez-Jiménez, professor at University of Salamanca and member of Global and International Studies, will welcome us at the train station.</p> <p><i>The program in Global Studies of the University of Salamanca presents unique characteristics within the panorama of Spanish university studies: the teaching is entirely in English; the faculty includes, almost equally, Spanish professors and those from prestigious North American universities; and it offers an internship program in Washington, D.C., managed through an agreement by our partner American University. It is linked to a THINK TANK that brings together former ministers, former ambassadors, and other senior political dignitaries from the United States, Europe, Latin America, China, and the Middle East. The think tank fulfils the threefold function of teaching support, development of ideas, and political and economic consulting. The Global Studies Program of the University of Salamanca has signed agreements with the Fulbright Commission and with a dozen universities around the world, and maintains close collaborative relationships with other organizations, such as the Spain-US Council Foundation, the Nuclear Age Peace Foundation, ESGLOBAL, and Fair Observer, among others.</i></p> <p>https://globalandinternationalstudies.com/</p> |

El País has offices in Washington, Brussels and has reporters all over the world, especially in Latin America. Since 1989 it participates in a common informative net with “La República” and “Le Monde”, and since 2001 a supplement published in English integrates the Spanish edition of the International Herald Tribune. Elpais.com is the digital edition for the newspaper and the website for general information on the PRISA group to which it belongs.</i></p> <p>Meetings to be confirmed.</p> <p>End of visit.
